NOTE: The Tuition Fee is under revision of the Government and the tuition fee as notified by the Government shall be applicable, as the case may be.

RANK ALLOTMENT

As candidates of Intermediate (MPC or BiPC), ICSE, CBSE (MPC, BiPC or MBiPC) are eligible to apply, each stream is having a different totals in groups and Optionals, and hence the Group marks will be raised to Intermediate levels.

Mathematics to	300
Physics to	150
Chemistry to	150

Optionals are also raised similarly so that the group totals for 600 and grand total sums up to 1000 will be made uniform to all the candidates. Procedure is repeated with BiPC stream also. Once this is done, the marks are compared and rank is given. In case of MBiPC students of CBSE, ranks in both streams will be given.

RANKING

The candidates who passed the qualifying examination in single attempt are given first priority in allotting the ranks and subsequently the ranks are generated for compartmental candidates.

MPC STREAM

1. Group highest.
2. If group total is same, then highest in Mathematics.
3. If group total and Mathematics are same, then highest in Physics.
4. If group total is same, Mathematics, Physics are also same, and then Chemistry will also be same. In such cases marks secured for 1000 are considered.
5. If the tie is not broken as in 4, the boy / girl born earlier will be given better rank.

SIMILAR PROCEDURE IS ADOPTED FOR BiPC STREAM ALSO

Note: The candidates are advised to verify the status of PCI approvals of the institutions before taking admissions.

The Pharmacy Council of India is a statutory body constituted under the Pharmacy Act 1948, a Central Act passed by the Parliament to regulate the profession and practice of pharmacy in the country.

It has come to the notice of the Pharmacy Council of India that a number of Pharmacy Institutions are functioning in the country without seeking/obtaining recognition/approval from the Pharmacy Council India. The qualifications obtained by students from such institutions which are not approved/recognised by the Pharmacy Council, will not entitle such students to register themselves as Pharmacists under Pharmacy Act 1948. The approved pharmacy qualifications for registration as Pharmacist under the Pharmacy Act 1948 are;

- Diploma in Pharmacy (D.Pharm)
- Bachelor of Pharmacy (B.Pharm)
- Pharm.D & Pharm.D (Post Baccalaureate)

In view of this, all students aspiring to pursue any course in Pharmacy for the purpose of registration as a Pharmacist under the Pharmacy Act, 1948 should first ensure that the particular institution which they intend to join has been recognised/approved by the Pharmacy Council of India for the conduct of the course of study/approved u/s 12 of the Pharmacy Act, 1948. The lists of such institutions is displayed on the official website of the Council. (www.pci.nic.in).

Sir/Madam,

With reference to the subject cited above, I am directed to inform that Central Council in its meeting held on 7 & 8th April, 2007 has decided –

- (a) **to approve** 12 years Higher Secondary Education Board Exam. (Science Academic stream with Physics, Chemistry, Biology) of Higher Secondary Education Board, Nepal under sub-regulation (5) of Regulation 5 of Education Regulations, 1991 for admission to Diploma course in pharmacy.
- (b) **to approve** only science academic stream (regular course of 10+2) in line with regulation 5(3) of Education Regulations, 1991 for admission to D.Pharm course.
- (c) **not to approve** Pre-University Examination (New Scheme) of Andhra University with Physics, Chemistry, Maths or Physics, Chemistry, Biology under sub-regulation (5) of Regulation 5 of Education Regulations, 1991 for admission to Diploma course in Pharmacy.
- (d) **not to approve** open school of any state under sub-regulation (5) of Regulation 5 of Education Regulations, 1991 for admission to D.Pharm course.

In view of (d) above, the following qualification earlier approved by PCI and conveyed vide Council's Circular under reference stands null & void.

"Senior Secondary School Examination with Physics, Chemistry & Biology or Maths conducted by National Open School, New Delhi."

It is further clarified that if candidates having qualifications other than those approved by PCI are admitted to D.Pharm course they shall not be eligible for registration as a pharmacist to practice the profession under the Pharmacy Act even though they might have completed the D.Pharm course. In this event the entire consequences shall rest with the admission making and course conducting authorities and PCI in no way shall be responsible for the same.

This is for necessary action & compliance.

Yours faithfully
