Dear shri Murthy garu,

Greetings from CII

This is to inform you that CII is organizing a **Mega Job Fair** on 09th & 10th Nov.'2016 at Govt. Polytechnic Masab Tank, Hyderabad. CII is organizing the Job Fair as a part of the 7th CII Global Summit on Skill Development 2016, at Hotel Taj Krishna, Hyderabad. **TASK** is partnering CII for both the Summit and the Job Fair.

We are very happy to note that the Government of Telangana is giving high priority to employment and employability, both of which must be addressed together. In order to generate greater employment, the Government is encouraging industrialization through the highly impressive State Industrial Policy. However, in order to sustain the objectives of the Industrial policy, there is a need for an equally important State Skills policy, which is being planned by the State Government through the proposed Telangana State Skill Development Mission and in most probability this platform will be used to formally launch the Policy and the Mission. Organizing Job Fairs helps both the industries and the academic institutes bridge the employment gaps and helps in larger skill development initiatives.

In this regard, we are organizing the Mega Job Fair as part of the Global Skill Summit at Government Polytechnic, Masab Tank, Hyderabad. Sir, with your help we can reach out to larger audience of job seekers as well as job providers. We are expecting visits of International delegations, Senior Union and State Government Ministers & officials and the industries, to the Job Fair Venue.

Praaman is partnering with CII as implementing partner to execute the Job Fair.

We formally invite you to be part of the prestigious event and look forward to your support and guidance.

Thanks & regards,

Yours Sincerely

Merin Devassia
