SUPERINTENDENT
To
The Commissioner,
Technical Education Department,
5th & 6th Floors, B.R.K Bhavan,
Tank Bund Road, Saifabad,
HYDERABAD – 500 063.

Sir,

Sub:- TSLIPC – Training - Providing of Training to the S.C. Un-employed Youth in Leather Tanning, manufacturing of Leather Footwear and Leather Goods etc. in the Government Institute of Leather Technology (GILT), Hyderabad – Proposals submitted- Regarding.

I wish to inform you that, Telangana State Leather Industries Promotion Corporation Limited (TSLIPC) is working for the promotion of Leather Sector and also for the upliftment of poor S.C leather artisans in the State of Telangana, TSLIPC is developing Leather Industrial Parks in Telangana State and these parks will provide a platform to the Leather Artisans to start their units and also provides employment to thousands of trained Leather Artisans.

In this connection, Telangana State Leather Industries Promotion Corporation Ltd (TSLIPC Ltd) proposes to introduce short term courses in Leather Tanning, Leather Footwear & Leather Garments manufacturing etc. exclusively for SC unemployed youth from all the Districts of Telangana State, as there is good demand for leather products in India and abroad. After completion of the successful training and certification, the candidates will be provided employment in leather industry or they can start their own units with the financial support under any Government sponsored programmes.
In this direction, Telangana State Leather Industries Promotion Corporation Ltd (TSLIPC Ltd) has taken up residential training programmes with duration of 6 months and one year at Footwear Design & Development Institute (FDDI), Hyderabad and Central Leather Research Institute (CIRI), Chennai respectively.

We have proposed these training programmes for the benefit of the poor Scheduled Caste cobblers/leather artisans to upgrade their skills and to enable them to learn modern techniques.

Now, we are to take up the short term training programmes with duration of 3 months and 6 months, to the Scheduled Caste unemployed youth to be selected and sponsored by TSLIPC Ltd. The training programmes can be organized as residential or non-residential basis depending upon the budget and needs of the trainees. Initially training will be taken up for 100 Scheduled Caste un-employed youth from each district in all the 31 districts of Telangana State.

Therefore I request the Commissioner, Technical Education, Telangana State, Hyderabad to examine the proposals and necessary orders may be issued to the Principal, Government institute of Leather Technology (GILT), Darga/Gachibowli in this regard to design and take up short term training programmes with a duration of 3 months and 6 months, to the Scheduled Caste unemployed youth candidates to be selected by the TSLIPC Ltd from all the Districts of Telangana State and to be sponsored them to the GILT, Hyderabad for the proposed training programmes. Necessary nominal fee/expenditure and stipend to the candidates will be borne by Telangana State Leather Industries Promotion Corporation Ltd (TSLIPC Ltd).

An early reply in this matter is highly requested.

Thanking You,

Yours faithfully,

Vice-Chairman & Managing Director.
