Sub: Short Term Course on "Laboratory Practices in Applied Physics" from 5-9 August, 2019
(O. Plan No. AS-6) at this institute

Sir,

The above mentioned short-term course is being conducted by this department for the Polytechnic teachers in Applied Physics. The objectives, course contents and eligibility are given below. It will be appreciated if you kindly sponsor as many teachers as possible from the polytechnics of your state for attending this course. The names of the sponsored teachers should reach us by 25th July, 2019 so that admission letters to participants may be sent well in time.

Objective: The objective of the course is to train teachers and technical staff from Polytechnics and Engineering colleges to improve applied physics laboratories in their respective institutions. The emphasis, therefore, will be to enable the participants to study in detail and discuss with NITTTR faculty for the improvement and addition of new experiments to be included in the polytechnic and engineering college as per revised curriculum.

Course Contents: Role of laboratory in physics teaching; Physical world and measurements; Error estimation in measurements; Graphical representation of data; Need and relevance of calibration, quality and testing; Performing physics experiments; Newer laboratory experiments; Use of computers in physics laboratory; Preparing worksheets and models for practicals, field visit etc.

Eligibility: Technical Staff and Faculty of Applied Physics

Please note that TA/DA will be borne by this institute for the participants of Govt./Grant-aided polytechnics (Fare limited to 2nd AC for Professors/Principals/Directors, for others 3rd AC/AC Chair Car or the entitled class or actual, whichever is the least). Local mileage would be restricted to Rs. 200/- at all places in general or reimbursement of actual expenditure on submission of genuine printed bills as per institute rules. No TA/DA will be paid to the participants from private/self-financed polytechnics. Boarding and lodging will be made available to all the participants free of cost in the institute mess and hostel.
