Collegiate Education & Technical Education Department

Lr.No.CTE/04/07/2019, Dated: 25.07.2019

To
The Principals,
Engineering Colleges in the Telangana State.

Sub:- 34th Indian Engineering Congress conducted by the Institution of Engineering (India) from 27th to 29th December 2019 – Participation - Regarding.

"The Institution of Engineers" (India), established in 1920 and incorporated under the Royal Charter in 1935, is the largest multi-disciplinary professional body of engineers in the whole of Asia with a membership of 0.7 million. The Institution represents India in multiple Flora, with bilateral agreements with International Engineering Organizations.

The Institution is organizing the Indian Engineering Congress every year at one of its centers with a view to have enlarged participation of fraternity of Engineers (both young and senior engineers) within the country and abroad for providing a forum for effective and purposeful interaction and diffusion of knowledge and experience to infuse thinking.

The Institution of Engineers (India) is completing 100 years of its glorious and relentless journey by 2020 and as a part of Centenary Celebrations of IEI, the IEI has provided an opportunity to host the "**34th Indian Engineering Congress**" at Hyderabad at HICC, Hyderabad, from **27th to 29th December, 2019** and Seminar will be organized with a theme of "**Societal Engineering-Imperative for Nation Building**".

In view of the occasion, you are informed to take an opportunity to depute students of all disciplines as many as possible to participate in "**34th Indian Engineering Congress**" and also contribute papers during the Congress and therefore enable them to interact and share their rich experiences with the fellow delegates and also to be benefited by the Expert lectures and paper presentations.
