OFFICE OF THE
COMMISSIONER OF TECHNICAL EDUCATION
TELANGANA :: HYDERABAD

& & & &

Vide reference cited above, the Commissioner of Civil Supplies has stated that, the Government of India has informed them that to bring transparency in the process of food subsidy claims of the states, it was decided to distribute food grains through e-PoS with bio - metric authentication under Other Welfare Schemes i.e “Wheat based Nutritional Programme” (Anganwadi Centres), “Scheme for Adolescent Girls”, “Mid day Meals Scheme”, “Welfare Institutions & Hostels Scheme” so that the sale transaction data can be captured electronically and shared on the Annavittan (upgraded) portal on real time basis. The Provisional subsidy claim from the 3rd Quarter of the year 2019 (October-December) shall be processed on the basis of system-generated certificate. The Government of India have requested to freeze the data regarding automated & unautomated distribution from October, 2019 onwards in Annavitrana Portal.

Further, they have requested to furnish the details of Automated (through e-PoS) and unautomated (Manual) distribution of food grains under OWS i.e., for “Welfare Institutions & Hostels Scheme”, “Mid Day Meals Scheme”, “Wheat Based Nutritional Programme” (Anganwadi Centres) & “Scheme for Adolescent Girls” every month from the month of October, 2019 by the 1st of Succeeding Month i.e., 1st November, 2019 onwards, so as to take action for uploading the data and for Generating the Digital Sign certificate in Annavitrana Portal.

In view of the above, all the Principals of Government Polytechnics with attached hostels are hereby instructed to furnish the details of Automated (through e-PoS) and unautomated (Manual) distribution of food grains under OWS i.e., for “Welfare Institutions & Hostels Scheme” every month from the month of October, 2019 by the 1st of Succeeding Month i.e., 1st November, 2019 onwards, so as to take action for uploading the data and for generating the Digital Sign Certificate in Annavitrana Portal.

The receipt of the memo shall be acknowledged.

Subject: - System Generated Certificates on distribution of foodgrains under OWS and additional NFSA Schemes.

Sir/Madam,

I am directed to refer to the subject cited above and to inform that as a part of our collective efforts to bring in greater efficiency and transparency in the processing of the food subsidy claims of the States, it was decided to put in place a system of distribution of foodgrains under OWS and additional NFSA schemes through e-POS devices with bio-metric identification, so that the sale transaction data can be captured electronically and shared on the the Annavitrans (upgraded) portal on real time basis. The web service document in this regard was sent to the States vide the letter referred to above.

2. As in case of the distribution of foodgrains under NFSA, provision of system-generated certificate on distribution of foodgrains under OWS and additional NFSA schemes, to be used for processing and subsidy claims, has also been made on the Annavitrans (upgraded) portal. A User Document for certificate generation is enclosed with the letter. The User Document has also been uploaded on http://annavitrans.nic.in/nonnfsla under ‘Download’ section.

3. As can be seen in the User Document, the main steps to be taken for the generation of the certificate are as follows:

(i) Go to the log in menu of annavitrans.nic.in/nonnfsla to register the digital certificate.

(ii) After the registration of the DSC, log in and select ‘Generate Certificate’ option.

(iii) Select the year and month, and click on ‘Preview’ and ‘Confirm and freeze data’.

(iv) After the data has been frozen, click ‘Generate Certificate’.

(v) The certificate generated by the system will get downloaded in the pdf.

(vi) Click ‘Sign Certificate’ and the process is completed.
(vii) After the certificate has been signed, it can be viewed at the State and this Department’s level using ‘View Signed Certificate’ option.

4. It is therefore requested to kindly ensure that the certificate is generated from the month of October, 2019 onwards. The provisional subsidy claim form the 3rd quarter of the year 2019 (October - December) shall be processed on the basis of system-generated certificate.

5. Last date for freezing the data regarding automated distribution will be 10th of the succeeding month and for unautomated distribution, it shall be 15th of the succeeding month.

6. It is also requested to ensure that the arrangements for automated distribution under all the OWS and additional NFSA scheme are are put in place at the earliest, if not done already.

7. For any clarification or technical assistance in this regard, Shri Ravi Gupta, Technical Director, NIC may be contacted.

8. This issues with the approval of competent authority.

Yours faithfully,

(Jai Prakash)
