Sub: AQIS Schemes for Polytechnics 2020-21-reg.

Sir/Madam,

As you aware, All India Council for Technical Education (AICTE) was established with a view to proper planning and co-ordinated development of a technical education system throughout the country, the promotion of qualitative improvements of such education in relation to planned quantitative growth, and regulation & proper maintenance of norms and standards in the technical education system and for the matters connected therewith.

Under its recent quality initiatives, AICTE has come out with Model Curricula for Polytechnics, prepared in consultation with industry and it was released by the Hon’ble HRD Minister Sh. Ramesh Pokhriyal Ji. AICTE has requested all the DTEs for the adoption of the curriculum at the earliest and we hope your DTE will take prompt action.

The Institutional Development Cell (IDC), AICTE, extends its support to develop the infrastructure to arm the polytechnic students with skills and knowledge, through its MODROB Scheme. In next few months, we shall be issuing call for proposals and consider polytechnics who have adopted the Model Curriculum and expect your polytechnics to take advantage.

We reach you out through this communication urging you to start working and submit sound proposals for support under the scheme and also keep track of announcements of the AQIS schemes for Polytechnics.

If you require any further information / assistance, please feel free to contact by email modrobide@aicte-india.org and hosielscstide@aicte-india.org.

Yours sincerely,

(Dr. Neeraj Saxena)
