With reference to the subject cited above, Smt. Sridevi Sira, National Lead – FutureSkills Academic Alliances, IT-ITeS Sector Skills Council NASSCOM, Hyderabad stated that the Government of India under the aegis of Ministry of Electronics and IT has joined hands with NASSCOM to make India a global hub for skilled talent on emerging technologies. FutureSkills PRIME is a learning ecosystem (<http://futureskillsprime.im/>) built by the government together with the IT industry to create India’s Digital Talent Stack that will propel India into a leadership position in the digital world and a high intensity on vocation skill development through Diploma courses has been enhancing employability of the India youth.

1. FutureSkills prime imitative can be implemented at all Govt. Polytechnics – nominate a team on work on onboarding and driving learner engagement on platform.
2. While all Government Polytechnics students will be onboarded – all faculty can initiate their learning as part of their learning goals.
3. The foundation course learning and certification by Faculty will be considered as a week long training – Assessment will be an optional feature for faculty.

FutureSkills PRIME will enable Polytechnics students to:

- Build digital fluency on emerging technologies & professional skills through by sized micro learning content.
- Earn digital badge upon completion of every module/course.
- Avail industry recommended and validated certificate courses in the form of foundation, bridge and technical competency aligned – courses.

In View of the above, all the Principals of Government Polytechnics are hereby directed to identify one faculty as SPOC to co-ordinate the FutureSkills PRIME of NASSCOM and send the filled in Proforma – I (for Faculty), Proforma II (for Students) and Proforma –III (for SPOC) to this office through mail ID: adtrg.ts@gmail.com on or before 17.07.2021.

***Note: The above Proformas must be sent in Excel format only.**

This receipt of the memo shall be acknowledged.
