With reference to the above cited, S.Girish, Centre Head, ICICI Foundation stated about the free skill development opportunities to underprivileged and needy youth from the esteemed organization / institution. They informed about the launch of their new free vocational skill development program '**PAEPM - Performance Application Engine Preventive Maintenance**' in association with **Kirloskar Oil Engines Limited**. The course is co-created as per the current Industry skill requirements and need for skilled manpower in this domain. ICICI Foundation is interested in encouraging deserving youth from Government Polytechnics, Telangana, who are in need of a job and would like to take up a job after this Industry relevant Course. This being a first of its kind opportunity, the admission of candidates will be on '**First come First served**' basis (**only limited 10 seats are available currently**).

Course Write-up:

ICICI Foundation introduces a new course designed to offer maintenance solutions for oil engines. Backed by KOEL (Kirloskar Oil Engines Limited), the 72 days course comprises theoretical and practical learning, which results in a 360 degree learning experience.

PAEPM (Performance Application Engine Preventive Maintenance) course is taught using the latest KOEL oil engines & parts which leads to becoming a certified oil engine technician.

Course Highlights:

- Two and four Stroke Engines
- Air System
- Cooling System
- Starting System
- Fuel System
- Exhaust System
- Engine System Maintenance and Troubleshooting

- Safety Sessions
- KOEL Engine Families and Ratings

The course will be conducted with all covid protocols adhered as per the government instructions.

Job Opportunities:

With oil engines being used for personal, residential and commercial use, the job opportunities are endless. Certification from the industry leader helps one to build a good profile and thereby land in better placement opportunities. On successful completion all trainees will be provided with placement assistance to enable their livelihood.
