

**GOVERNMENT OF TELANGANA
DEPARTMENT OF TECHNICAL EDUCATION**

**OFFICE OF THE
COMMISSIONER OF TECHNICAL EDUCATION
TELANGANA :: HYDERABAD**

Sub: Technical Education - T & P Section - Deadline for the registration of Youth for Social Impact Program in Govt. Polytechnics and Communication about "Inspire session" for the students - Reg.

Ref: The Mail received from Ms. Apoorva Bhasker Program Lead- Innovation in Education, Telangana State Innovation Cell, Dt: 24.08.2022.

@@@@@

With reference to the above cited, Ms. Apoorva Bhasker Program Lead- Innovation in Education has stated to promote a culture of Innovation and Social Entrepreneurship across the youth of Telangana, TSIC in collaboration with UNICEF and Inqui-lab Foundation had been implementing Youth for Social Impact program in Government Polytechnic Colleges for the last 1 month. Two faculties from each college have been oriented and trained for the implementation of the program where the students register themselves, complete a learning course and submit an innovative idea. So far, over 2000 students from 45 colleges have registered for this program.

Also, now that most of the participants are in the stage of brainstorming ideas and submitting their innovation proposals, it would be ideal for the participants to directly interact with the program team to get inspired and also clarify their doubts directly through "**Inspire Session**" on **29th August, 2022 (Monday) from 11:00 AM to 01:00 PM** using the Zoom Meeting Link for joining the session- <https://us06web.zoom.us/j/83138340836>. All the registered participants must attend this session along with the in-charge faculty and leverage the opportunity. Below are few operational instructions for the session.

- The session link will be shared with the faculty and the faculty has to project this interactive session to all the participants same as the learning videos.
- The faculty has to coordinate and be the channel between the students and the program team during the interaction.
- The session link cannot be shared directly with the students. They will be attending the session only through the means of faculty.
- The faculty members upon joining the session have to rename themselves with the name of their colleges.

In this connection, the Principals of all Government Polytechnics are hereby directed to inform the students that the final deadline of idea submission for the students is 31st August, 2022 and also instruct all the in-charge faculties to ensure all the registered teams submit their innovation proposal on the portal within the deadline and send the above requested details to Email ID: apoorva.tsic@gmail.com.

The receipt of this memo shall be acknowledged.

(This has the approval of the CTE, Telangana)

FOR COMMISSIONER

To,
The Principals of all Govt. Polytechnics under control
of the Department of Technical Education, Telangana.
Copy to the Secretary, SBTET, T.S., Hyderabad.
