Department of Science and Technology
Government of India, New Delhi
About Institute

The National Institute of Technical Teachers Training and Research (NITTTR) Chennai was established as an autonomous Institute by the Ministry of Human Resource Development (MHRD), Government of India in the year 1964 to improve the quality of Technical and Vocational Education and Training (TVET) system in the Southern Region of India. The institute takes initiatives to offer need based training programmes for teachers covering the entire gamut of technical and management education through appropriate modes for the development of Engineering Colleges, Polytechnic Colleges, Vocational Institutions, Industry, Service sector and the community at large. The Institute also conducts programmes for overseas technical and vocational teachers to suit their demands.

About the Programme

The objective of the programme is to train and develop professionals in the area of Entrepreneurship Development so that they can act as ‘Resource Persons’ in guiding and motivating individuals intended to become an entrepreneur. The programme covers the following major aspects of Entrepreneurship Development.

- Knowledge based information inputs
- Entrepreneurship Development Process
- Entrepreneurial motivation and competencies
- Business Opportunity Identification & Business Plan Preparation
- Small Business Management
- Importance of IPR – Patent registrations
- Role of support agencies in entrepreneurship

Inputs will be imparted through:

- Lecture-cum-discussion and case studies
- Interaction with experts in entrepreneurship development and with the successful entrepreneurs for practical insights
- Study visits to institutions and small enterprises
- Group work and practice sessions

Participants:

The programme is open to faculty members from universities, engineering colleges and polytechnic colleges involved or likely to be involved in entrepreneurship related activities. The faculty who involved in the skill development programmes offered by the Community Development through Polytechnics (CDTP) Scheme can also apply. Maximum 25 participants only can be accommodated for this programme. Hence selection will be based on first cum first served basis.

Registration

The registration form is enclosed with the Brochure. Since, the National Science & Technology Entrepreneurship Development Board (NSTEDB), Department of Science & Technology, Government of India has sponsored the programme, there is no Programme fee for the participants to participate.

Travel / Boarding & Lodging

Participants will have to bear their own to and fro travel expenses. Boarding & Lodging for the participants will be provided at NITTTR Trainee’s Guest House and its expense will be sponsored by NSTEDB.
