PARTNERSHIP MoU

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into this 2\textsuperscript{nd} day of February 2020, between:

KRACKIN a unit of iNURTURE Education Solutions Pvt Ltd, a company registered under the laws of India, having its registered office at # 11/4 Niton Compound, Block B-1, Palace Road, Bangalore - 560052 (hereinafter referred to as "First Party"

AND

Department of Technical Education Government of Telangana having its principal office at 2\textsuperscript{nd} Floor, Prof. Jayashankar Vidyabhavan Opp. to Latha Talkies, Nampally, Hyderabad, Telangana 500001, represented herein by its Regional Joint Director(FAC)/OSD, O/o CTE (hereinafter referred as 'Second Party')

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

KRACKIN a Unit of iNURTURE Education Solutions Pvt. Ltd. strives to strengthen the quality of education in educational institutions and enhance the industry readiness of its students through its offering in KRACKIN platform.

Skill-X is a Skilling solution offered by KRACKIN:

- Software solution to help educational institutions improve the industry readiness of its students
- Online skilling platform providing students with a ready repository of skilling interventions and knowledge resources to build the skills required by the industry
- Showcase the profile to Industries for career opportunities

Department of Technical Education Government of Telangana promotes Technical Education in the state to bring out efficient Engineers and Technicians with profound knowledge, skill, positive work culture, improved efficiency and productivity. The ultimate goal is to provide efficient engineers for our industries and to shape our students to be competitive in the global market.
Second Party & First Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests. AND WHEREAS, both the parties have expressed a common interest in providing industry relevant training to the students, enhance their awareness, expand their industry connect and in the process, increase their employability.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CO-OPERATION

Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

SCOPE OF THE MoU

KRACKIN shall provide basic access to the Skill-X platform for free of cost to all the students in Telangana State through which the students can build their profile, understand their employability score and explore the various skill-building resources available in the platform. The student can decide to avail certain services of interest to him/her as an add on at the appropriate cost.

ROLES AND RESPONSIBILITIES

Role of KRACKIN

1. The Students shall be on-boarded to the SkillX platform and the students shall be notified about the login credentials through e-mails
2. KRACKIN shall engage with the students through different means to educate them about the latest skills required in the industry and how the students can improve their employability
3. Assign a Coordinator for interacting with the Department of Technical Education Government of Telangana
4. Skill X FUNCTIONALITY
5. The separate instance will be created on skill-X portal which will have information about second party.
Digital Profile

Students can create their digital profile based on industry-relevant parameters. Its employability algorithm computes the score for their profile based on the data provided. The holistic profile helps a student. Create an all-encompassing archive of academic accomplishments, projects and scores

- **Industry Readiness Meter (Personal Career Assistant)**
  It is a platform that acts as a job-readiness tracking system. It helps analyzing gaps and recommends suggested learning paths. These skilling paths have been created in consultation with the industry and respective domain experts. Student can avail one job role in this feature for free of cost during the course of their study or till the validity of this MOU, whichever is earlier. Student can opt for more job roles as per annual subscription charges mentioned in the website. For the students who opt for more job roles, the Recruitment Engine will be part of it.

- **Skill Centre**
  It is a repository of online skilling courses recommended by the industry partners. It provides an overview of industry trends and helps identify the skill sets required to be industry-ready. Student can opt for any skill Courses and Certifications as per the prescribed fees. However, students can undergo modules of courses like Finance, VM Ware, Soft Skills and Advanced Excel at no cost during the course of their study or till the validity of this MOU, whichever is earlier.

- **Recruitment Engine**
  Helps students find internship and recruitment opportunities. The platform will help students to showcase their holistic profile to the suitable recruiters through the platform. Companies will select candidates based on the profile/employability scores. For showcasing the profile to the potential employers, students can choose to avail feature as part of annual subscription charges.

Role of Department of Technical Education Government of Telangana

1. Onboard the students of all the colleges of Telangana State on to the platform.
2. Provide a coordinator for day to day communication.
3. Actively promote online courses amongst the students to take up programs as a part of their Skill Enhancement.
4. Allow KRACKIN Team to connect with the students to help enhance their employability quotient and guide them on their industry readiness.
INTELLECTUAL PROPERTY

Nothing contained in this MOU shall, by express grant, implication, estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyright rights and designs) of the other Party.

DATA PRIVACY

KRACKIN shall use the information only for the Purpose above said and not disclose any or part or summary or extract of the Information to any third party without student's and Department of Technical Education Government of Telangana prior consent as per prevailing laws.

VALIDITY

This Agreement will be valid for a period of 3 years from the date of signing of this MoU and can be extended by mutual consent.

Both Parties may terminate this MOU upon 60 calendar days' notice in writing.

IN WITNESS WHEREOF OF THE UNDERSIGNED, duly authorized thereto, have signed this Memorandum of Understanding.
